## Consider the Heritage Center for your Next Event

The Belgian Heritage Center is a perfect church-like setting for weddings and wakes/funerals. The BHC is also available for rental for private events such as meetings, conferences and family reunions. Traditional Belgian food and a Belgian heritage presentation are available on request. ## New Stories Premiered

As part of our mission to preserve and celebrate the Belgian culture of Northeastern Wisconsin, we are very proud of the ten oral history videos that have been produced as part of the Our Stories series. These were all made possible by generous donations and grants. The last five were completed this fall and premiered at viewing sessions in October. The short videos highlight the following familiar aspects of our heritage: Immigration, Early Settlers, Walloon, Taverns, Importance of Religion, No Foreign Languages at School, The Chapel, Travel, Life on the Farm and The Kermis. All of these videos are available to view at the center on a touch screen kiosk or viewed upon request theater style on our new large monitors. Many of them involve stories told in both English and Walloon by our cherished bilingual speakers.

Another big crowd enjoyed our traditional Kermis which required lots of tortes, pies, booyah and beer!

Barb (Englebert) Chisholm reprised her role as her Great Grandmother who survived the Great Fire. She is pictured here at our Fire Remembrance Day in October with historical author, Kathleen Ernst, who spoke about her book, *The Lacemaker's Secret*, a story about a heroic Belgian woman.

Dear Supporters,

We are approaching the end of another successful year. In 2018, we continued our progress to enhance the Belgian Heritage Center.

Here are few highlights:

- Unveiled a beautiful donor recognition board featuring restored stained glass from St. Mary of the Snows.
- Launched five new oral history videos bringing our total to 10 videos and nearly two hours of stories in Walloon and English.
- Installed new audio/video equipment to improve the sound quality of our presentations and to show videos, photos and other media on large screen TV's.
- Added another new event to our calendar - a Hunters Raffle and Wild Game Meal - which was a huge success. We are already planning another one for next year.
- Hosted heritage presentations and tours, weddings and a family reunion.
- Invited the community to attend focus groups to help guide our future endeavors.

We are already planning for 2019. An important undertaking will be to complete our strategic plan and prioritize new projects and improvements. We invite you to continue offering your ideas to improve our events, programs and the facility itself.

As always, we are extremely thankful for the generous support of our many donors and volunteers. We receive countless compliments from visitors to the Belgian Heritage Center about the exhibits, food, presentations and facilities, not to mention Belgian hospitality. We could not accomplish this without you. Thank you to everyone who contributed - we are grateful for your support.
