

BELGIAN HERITAGE CENTER

Safety Requirements for Visiting BHC

For the safety of our docents and visitors, please follow these simple steps when visiting BHC:

- Use hand sanitizer upon entering.
- Wear a mask or face covering when indoors or within 6 feet of others. BHC will provide a mask if you don't have one.
- Remain at least 6 feet apart from your docent and anyone not in your group at all times.
- Do not touch the exhibits. If you would like to view oral history videos or photo galleries, the docent will operate for you.
- Follow all instructions of the BHC docent that will accompany you.

For safety, we will schedule only one visitor group at BHC at a time. All visits must be scheduled in advance and are subject to docent availability. Please contact us as early as possible so we can meet your requested date. Please give us as much advance notice as possible if your plans change.

If you are sick, under quarantine or isolation order or suspect exposure to COVID, **please do not come to BHC**. Contact us as soon as possible to reschedule or cancel.

A donation of \$10 per person is requested. You can pay in advance or at the time of the tour.

Please contact Barb Chisholm at 920-493-5969 or mschis1946@gmail.com for more information and to schedule your visit.
