James van Lanen Sr. killing chickens for the restaurant next door on Bay Settlement Road. Help me with the details dad... name of the place - Shorty Van Pee's later the Hi Rock Supper Club. (Shorty Van Pee owned it. Later his daughter Isabel) How much did they pay you for each one dad? (He says \$1 for 125) This picture is Jim at 12 years old. One time a few chickens escaped and they charged him for the chickens. He waited until evening and climbed the tree where they were roosting to retrieve and bring back to the owner to get his money back.
